GLOXI	JHAY TUSCANO -From Iloilo City	<p>First of all, thank you very much for this incredible product. My dream came true. This product is really effective.Since I was 16 years old, I am one of the people who suffering from retarded growth. I stated exercising, eating properly, and not staying up late at this age, but nothing worked. At the age of 17, I noticed I am not increasing an inch since 16. I began searching on the internet and spent all my allowances to buy specific supplement like arginine, lysine, glutamine, zinc, B-complex vitamins, Vitamin C, multi-amino acids supplements, multivitamins, and I drink a lot of milk. Yet, nothing worked. I even tried Chinese Growth Balls, it's still didn't work. I also tried different stretches every morning, but still didn't work at all.I was so desperate that I even tried putting rubber pads inside my shoes just to look taller. I bought shoes with heels (not to mention that I am a male) in order not to be ashamed of my classmates. I have also been ridiculed by my classmates, which I am not growing. I am so desperate and ashamed, so its hard to meet new friends.At the age of 18, we bought the product GLOXI HEALTH DRINK AND GLOXI CREAM. I followed all the instruction given. After using the product, I can feel the heat and the movement of my legs. The cream also adds to the heat of my legs, so I can feel that it is working. After 5 days, I was shocked to know the amazing results. I am only 5'3" before using the product. After five days, I was shocked to know that I grew to 5'4.2" in just 5 days. I am</p>

		still using the product. It is really amazing. Thank you very much!!!

Ang sabi ng iba dahil daw sa shoes yun. Then nag try and try lng ako...after 3 months of using Navores, grabe! Can't believe! Pumuti na! pantay na yung kulay! Sobrang saya ko! Kahit mahal yung product, worth it naman.. patience lang po talaga. So now, confident na ako pag naka slippers ako. Thank you sa product na 'to! God bless.

		<p>problem although I'm still growing. I think it could be hard for me to reach the required minimum height. But one day it so happened that I accidentally viewed on TV program about the product GLOXI HEALTH DRINK, which I think it will be a great help on my problem. I tried to buy and use it. DE CHARMER	DAISY ESGUERRA -From Quezon City	<p>Upon using this product, I was satisfied with the result. I've tried many breast improvement capsules/tablets, as well as creams from other companies, they were quite effective, but not as satisfying as "W-II DE CHARMER HEALTH DRINK". You can't see the good result with just one supply of 1 box, upon continuing to take the product for 1 to 2 months you'll feel that your breast increases its volume and cup size. More so, the surrounding skin around the breast becomes extra fine and surely, you'll be contented with the product. No wonder, up to now I am still patronizing "DE CHARMER" due to satisfaction.</p>
W-II SKARSLICK	JENNIFER LIM -From Pasig City	<p>I am Mrs. Jennifer Lim, housewife and presently residing at Pasig City. I've got my stretch marks when I gave birth to my eldest daughter, I was very insecure then because of my looks that I can't wear my old clothes and even my swimsuit. After 5 years, I have to give birth again to my 2nd child, it alarms me so much because my doctor suggested me that I have to undergo a C-section due to placenta previa baby it is very dangerous to have it in normal procedure. Again it bothers me, after the operation I tried different types of product to erase my stretch marks and scar but it didn't work at all it's just a waste of time and money. I even think of undergoing micro-Dermabrasion, the latest technology in removing stretch marks and scar but after watching your program EZ Shopping. I saw your new product W-II SKARSLICK, it promised to erase stretch marks and all types of scars. I decided to give it a try, in first day of application I already notice a change, it is started to lighten my scar and stretch marks and even my skin it's so smooth as before I got pregnant. I can't believe it. But then at the 2nd day of using SKARSLICK, it amaze me because my marks and scar are improving. W-II SKARSLICK REALLY WORKS!!! It gives you 100% satisfaction and improvements in just few days of using it. Again I gain my self-confidence I've been looking for such a long, long, long time. Now I'm continuously using it and excitedly hoping</p>
